

David & Mary Pytches

Bishop David Pytches, formerly bishop of Chile and Southern Latin America, was instrumental in birthing the New Wine movement, when as vicar of St. Andrew's Chorleywood he experienced the Holy Spirit moving in power in his church. Through his influence many other church leaders and churches were blessed, inspired and encouraged, and New Wine grew. Now hundreds of thousands of Christians within the world-wide New Wine network have been released into Spirit-empowered ministry making huge advances for the Kingdom of God.

David Pytches

David's ability to hear God's voice, his willingness to step forward into the unknown, his humility and humour all make him a speaker through whom God so often pours out His grace, love and power.

Mary Pytches

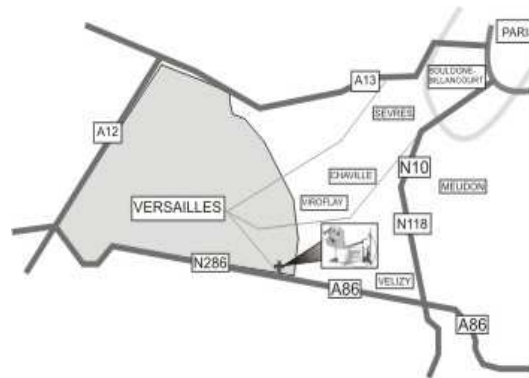

Mary is an author and speaker and has developed a significant work in pastoral counselling. The titles of her books include "Set My People Free" and "Rising Above The Storms Of Life".

Kingdom Training Days

Kingdom Training Days (KTDs) are part of the REACH vision of St.Mark's Church Versailles to become a "storehouse church", sharing the good things that God is doing amongst us. The programme is run with the support of New Wine International.

Les « Kingdom Training Days (KTD) » font partie de la vision « REACH » de l'Eglise St Mark à Versailles, qui vise à être une « église réserve », partageant les bonnes choses que Dieu fait parmi nous. Le déroulement de ces journées est soutenu par « New Wine International ».

KTDs are intended to provide a gathering place for Christians of all denominations who want to press into God, connect with others who desire to grow in the practice of the Kingdom of God, and to find space for teaching and prayer ministry.

At this October event, New Wine speakers David and Mary Pytches will speak on:

“Come Holy Spirit”

Come and enjoy a day of refreshment, worship, teaching, prayer ministry and the chance to meet and network with other Christians. David and Mary will be with us in St.Mark's on Sunday October 11th as well.

Currently KTDs are held in English, but if you wish to bring someone who needs French translation this may be possible, so please let us know in advance.

Actuellement les KTD sont en anglais, mais une traduction française est disponible si vous le souhaitez. Si cela est le cas, merci de nous prévenir à l'avance.

The next St.Mark's Storehouse Church event will be **Tuesday 24th November 2009** with Mark Aldridge; with a particular focus for church leaders.

Speakers for 2010 already confirmed: Anne Coles, Charlie Cleverley, John Hughes, Barry Kissell.

If you would like to attend the KTD in October, please fill out the form below and return it to the Church Office. **A simple lunch will be provided and a donation of €15 would be welcome to cover the cost (cheques made payable to St.Marks).**
