

PLANNED GIVING

For those staying more than 9 months, the most effective way of helping St Marks financially is by "Planned Giving".

What is it?

Regular giving: weekly, monthly, quarterly

Regular amounts set aside each month

Tax receipts available

Anonymous if preferred

No fixed period of time.

Over 50% of St Mark's income is raised in this way.

Why use it?

To financially support the Church

Money is a primary source of help to the Church

We have no outside means of support

Regular and Planned support helps us and you

Council members are appointed to manage the income and review it every month

As an offering to God.

How to use it?

Speak to Ian Wray, Church Treasurer, or to Barry Saunders.

Choose an amount relative to your income; people often give a tenth of their income.

Use the numbered envelopes provided by the Church, which can be found on the welcome desk, or better still set up a Bank Standing Order. A form is attached to this leaflet.

When to do it?

ACT NOW WHILST THIS IS FRESH IN YOUR MIND.

This system of giving does not need to be set up at the beginning of a year and many people join it long after they arrive at St Mark's.

Consider this prayerfully and then speak to Barry or Prisca who will be happy to provide you with any further information.
