

What Can SCIENCE Say About GOD?

19h30, Saturday June 9, 2007
St Mark's Church, 31 rue du Pont Colbert, 78000
Versailles

Speaker: Revd Dr Tim Norman
Associate Pastor, St Mark's Church Versailles

Tim's doctoral research was in the area of
chemical synthesis, making potential materials
for optical computers.

He has a particular interest in the interaction
between science, philosophy and religion.
